

*Strategy to Solution -
Skilled Proficiency to Influence Actions,
Results & Decisions*

STATEMENT OF CAPABILITIES

ADEPT Force Group Incorporated (AFG Inc.), provides strategic program management, comprehensive acquisition portfolio development, and collaborative system engineering expertise across all aspects of the acquisition life cycle to government agencies. We ensure programs have all of their documentation in place and are poised to achieve their upcoming milestones. Based out of the National Capitol Region, ADEPT Force Group is a certified Economically Disadvantaged Woman-Owned Small Business (EDWOSB) federal contractor, harnessing a wealth of experience from multiple backgrounds inside and outside the government space.

ADEPT Force Group brings together retired Military and Civilian acquisition, program management, operations, and systems engineering experts to influence actions, results, and decisions at all leadership levels. Specifically, AFG Inc. engages with Program Managers to **Assess** current state, **Decide** on priorities, **Execute** to plan, **Perform** within cost and schedule, and **Traverse** the program life cycle. From strategy development through solution delivery to optimize synchronization, collaboration, and communications, ADEPT Force Group is well-postured to solve the most complex government business – on time and within budget.

BUSINESS SOLUTIONS - OUR PEOPLE

ADEPT Force Group has performed a variety of activities across multiple programs, resulting in executive level leadership decisions that contribute to mission execution and program success. With over 40 years of demonstrated distinction, AFG professionals excel in strong stakeholder engagement, effective executive-level communications, synchronized execution, diversified team building, and collaborative product development. Our personnel significantly contribute to drive portfolio definition and planning across all projects, setting the conditions for well-orchestrated, organized, and synchronized execution. This includes leading workshops and conducting deep dives with PM leadership to define target program outcomes by year, capture key planning factors, identify priorities, and align cost and schedule dependencies. At ADEPT Force Group, we encourage our staff to take on challenging projects and empower them to succeed while reaching their personal and professional goals.
